## *Daily Bible Reading Schedule*

### Chronological

The books of the Bible are not arranged according to the date of events or the date they were written but are grouped together in categories. Each of the testaments is divided into four categories. The Old Testament is divided into categories of law, history, poetry and prophecy. The New Testament is divided into categories of gospels, history, letters and prophecy.

This Daily Bible Reading schedule is arranged so you can read the Bible in chronological order. You will be reading the events in the approximate order in which they occurred or were written. This will help you gain a feel for the events of the Bible as they progressed in God's revelation to us.
