## *Daily Bible Reading Schedule*

### Sequential

The books of the Bible are not arranged according to the date of events or the date they were written but are grouped together in categories. This Daily Bible Reading schedule leads you through reading the Bible in the order in which it is arranged in categories. Each of the testaments is divided into four categories. As you read the Old Testament you will first read the 5 books of Law, then the 12 books of history, the 5 books of poetry and the 17 books of prophecy. When you read the New Testament you will first read the 4 gospels, then 1 book of History, then the 21 Letters and end with the 1 book of Prophecy.
