## *Daily Bible Reading Schedule*

### Old Testament-New Testament

The books of the Bible are divided into two testaments or covenants. These are a testimony as to how God has communicated with man. Using this Daily Bible Reading schedule, you will read one passage from each of the two testaments each day. As you read notice how each passage relates to and interprets the other. Reading through the Bible this way will give you a greater understanding of what great things God has done for us.
