Daily Bible Reading Schedule

Old Testament-Psalm-New Testament

The books of the Bible are divided into two testaments or covenants and the psalms relate to both. This Daily Bible Reading schedule will lead you one passage from each of the two testaments and one from the Psalms. As you read notice how each of the testaments relates to and interprets the other and how the Psalms add to the significance of the other passages. Reading through the Bible this way will give you a greater understanding of what great things God and done for us.
