Daily Bible Reading Schedule

New Testament Sequential

The books of the New Testament are not arranged according to the date of events or the date they were written but are grouped together in categories. This Daily Bible Reading schedule leads you through reading the New Testament in the order in which it is arranged in categories. As you read the New Testament you will first read the 4 gospels, then 1 book of History, then the 21 Letters and end with the 1 book of Prophecy. This plan allows you to miss one day per week, except for the last week, so you can focus on Bible study lessons and worship on the Lord's Day.
