2. Applicants must be members of Central Church of Christ and attend church regularly.
3. The elders will examine the application and determine the amount of assistance to be given based on financial need, other qualifications as given in the application, and the amount of available funds in the various scholarships.
4. This financial aid will be available for tuition, books, or on campus housing after other tuition aid, scholarships, and grants have been applied to the student's bill.
5. If approved, the applicant must supply the Church Secretary with the correct billing information and the address of the school within 90 days of starting the semester. If notification is not made within 90 days, this application will be disqualified. The semester's scholarship may be paid in monthly installments at the church's discretion.
